RE: (Address of Project) \_\_\_\_\_

The undersigned hereby gives assurance that the design of the forced air heating system shown on the plans and supporting documents prepared by the undersigned in support of the application for the heating permit substantially complies with the current B.C. Building Code.

The undersigned hereby undertakes to be responsible for field review of the above referenced forced air heating system during construction.

The undersigned also undertakes to notify the Building Inspector in writing as soon as possible if the undersigned's contract for field review is terminated at any time during construction.

I certify that I am the designer of the above referenced forced air heating system.
