

Residential Curbside Green Bin Program

Note: Plastic compostable/biodegradable bags are not accepted.

Green Bin Tips

- » Keep your green bin clean to avoid odour and attractants.
- » Rinse it weekly with mild soap or vinegar/water mix (pour soapy water onto grass or gravel, never down an outside drain).
- » Wrap your food scraps using newspaper, boxboard or paper bags before placing in green bin.
- » Keep your green bin in a shady area, out of direct sunlight or inside a shed/garage.
- » Keep the lid closed to deter pests.
- » Freeze food scraps before placing them in the green bin.

Wrap Your Scraps in Paper

Recycle your food scraps in 3 easy steps

1

Collect accepted food scraps in a container of your choice. Line container with newspaper or brown paper bags to keep it clean.

2

Empty your kitchen container into your green bin along with your yard material.

3

Place your green bin out by 7am on your scheduled collection day. Your green bin does not have to be full to be collected.
