BUILDING DIVISION CLEAN-UP CERTIFICATE

This form must be completed by a Certified Industrial Hygienist (CIH), Registered Occupational Hygienist (ROH), Certified Safety Professional (CSP), Canadian Registered Safety Professional (CRSP), or Professional Engineer (P.Eng.), provided that the holders of these qualifications have experience in the recognition, evaluation, and control of hazardous materials, or a combination of experience and education/training.
Note: Education and training without extensive related experience is not sufficient.

TO: The Chief Building Inspector

RE: _____
(Address of Premises)

I have completed an inspection of the above-noted premises on _____
Date of Inspection

And I certify that the premises are substantially free from any contaminants, toxic chemicals, pesticides, molds, or fungi associated with and found in premises subject to fire damage or in premises used as a grow operation or for the manufacturing of controlled substance; and the premises are fit for access by City inspectors without the need for protective equipment (respirators, masks, body suits, etc.).
