

# Multi-Family Green Bin Program

Some buildings may have separate green bins for yard waste and food waste. Please separate accordingly.

## not accepted

These items are accepted at the Eco-Centre.

## Please Remember

## Wrap Your Scraps in Paper

Note: Plastic compostable/biodegradable bags are not accepted.

## Recycle your food scraps in 3 easy steps

Collect accepted food scraps in a container lined with newspaper or brown paper to keep it clean.

Empty your kitchen container into your complex's green bin.

Keep your green bin clean by rinsing it weekly with mild soap or vinegar/water mix (pour soapy water onto grass or gravel, never down an outside drain).

## Green Bin Tips

- » Keep your green bin clean to avoid odour and attractants.
- » Wrap your food scraps using newspaper, boxboard or paper bags before placing in green bin.
- » Keep lid closed and store kitchen container in a cool place.
- » Freeze food scraps before placing them in the green bin.
- » Do not store food scraps on balconies or patios.
