

ENVIRONMENTAL AWARDS 2024

TERMS OF REFERENCE

*Nomination
Deadline:
April 7*

The City of Burnaby's Environmental Awards Program recognizes the outstanding contributions of individuals, community groups, businesses and organizations to environmental sustainability in our community. Help us recognize Burnaby's environmental leaders by making a nomination today.

Award Categories

1 Business Stewardship

This category recognizes Burnaby-based businesses, whose business practices and stewardship activities promote environmental sustainability in the workplace or community. Businesses should demonstrate excellence in raising awareness of environmental issues with staff/clients, reducing their ecological footprint in areas such as energy or water use, waste reduction, purchasing, transportation and/or enhancing or rehabilitating the City of Burnaby's environment.

2 Communications

This category includes all forms of print and digital media, video, audio or multi-media presentations, and outreach or campaigns that help to increase the understanding of environmental issues or promote environmentally sustainable behaviors in our community. The nominated work should demonstrate a comprehensive understanding of an environmental issue or sustainability and its relationship to Burnaby's citizens.

3 Community Stewardship

This category recognizes individuals, community groups and organizations that have actively promoted environmental stewardship in the City of Burnaby for several years. Their efforts have increased public awareness of an environmental issue or notably enhanced or rehabilitated the City's environment.

4 Green Choices

This category recognizes residents of Burnaby, including individuals, community groups, organizations, strata councils, and institutions, that demonstrate an exemplary commitment to environmental sustainability in the home, garden and community through any of the following means: household energy conservation, waste reduction, green waste recycling, water efficiency, innovation in natural garden practices and native plant landscaping, local food production, active transportation and other sustainable lifestyle choices.

5 Planning & Development

This category highlights developments that demonstrate strategic planning, innovative environmental features and green building technologies that reduce energy use and emissions, reuse materials, use water efficiently, employ innovative approaches to stormwater and wastewater management, encourage active transportation, and protect and enhance aquatic and terrestrial ecosystems. Developments may range in scale from large commercial, industrial, institutional or residential projects to individual new or renovated buildings.

6 Youth

This category recognizes the contributions that children or teenagers have made, either through their own initiatives or through school programs, which have enhanced public awareness of environmental sustainability issues or have notably enhanced or rehabilitated the City's environment.

Nomination Information
