### Bring it back in

Garbage bins, green bins and recycling containers must be removed from the lane or street by 8 pm on your collection day and secured on your property.

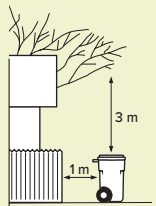

### Keep it clean

Rinse your receptacles weekly with mild soap or a vinegar/water mix. Then, pour soapy water onto grass or gravel, never down an outside drain.

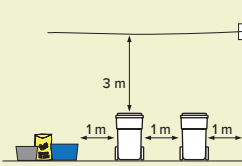

### Waste collection during snow and ice conditions

Waste collection may be disrupted during snow and ice conditions. We will issue an advisory on Burnaby.ca, social media, and on our collection app in the event of collection delays or cancelled service.
