## HOW TO REGISTER

**Online at [Burnaby.ca/WebReg](http://Burnaby.ca/WebReg) or call or visit a facility.**

The Burnaby Activity Guide is an easy reference for Burnaby's activities offerings. Use the barcodes in this guide to find activities in WebReg (our online registration system).

In July 2023, we introduced a new online registration system, WebReg. This improved system makes it easier to view, find and register for activities to participate in and stay active and creative.

The easiest way to register is online at [Burnaby.ca/WebReg](http://Burnaby.ca/WebReg). If you're using the online version of this guide, click on the activity to view a full description on WebReg.

### Your personal information:

The personal information you provide during the registration process is collected and used under the authority of the Freedom of Information and Protection of Privacy Act s. 26(c) for the purpose of administering parks, recreation and culture activities, informing you of our services and benefits and for statistical purposes. If you have questions about the collection, use or disclosure of your personal information, please contact the admin office at 604-294-7450.

### 1:1 Support for Camps

Burnaby camps have a separate activity to register in for 1:1 support for various weeks. Burnaby provides 1:1 support staff for up to 4 weeks per year per participant. Access staff help create activity adaptations, support participants with any anxiety or sensory needs and aid in behaviour management. After registering, our Access Coordinator will contact you to discuss the support needed for your camper.

Please note: we are unable to provide personal care such as assistance with toileting, administering medication and changing.

### Smile—you're on camera!

Our photographers may be in our parks and facilities taking photos for use in promotional materials, such as our Activity Guides, website and digital marketing materials.

We'll ask for consent with a waiver form prior to taking any close-up pictures. If you or your child prefer to not be photographed, please let the photographer know.

## NEW! Refund procedure

With new WebReg, there have been changes to the refund procedures.

A new refund procedure is in effect for registered activities. All drop-in activities and memberships purchased before July 18, 2023 are subject to the previous refund procedure. Please ask staff for more details about our previous refund procedure.

You'll receive a full refund if the activity is canceled or if you request a refund at least 7 days before the start of the activity. If your request comes less than 7 days before the activity starts, there is a 10% refund fee on the original price you paid.

After the activity has started, refunds are pro-rated accordingly to the number of sessions remaining and a 10% refund fee will be applied. No refunds will be granted after the third session has ended.
