MANAGEMENT REPORT

For the year ended December 31, 2020

The Financial Statements contained in this Statement of Financial Information have been prepared by management in accordance with Canadian public sector accounting standards. Management is responsible for the preparation and fair presentation of the consolidated financial statements, and for such internal control as management determines is necessary to enable the preparation of consolidated financial statements. Management is also responsible for the preparation of the Statement of Financial Information and ensuring this information is consistent with the financial statements.

The Audit Committee is to assist the City Council in fulfilling its oversight responsibilities and as representatives of Burnaby residents, to enhance accountability of City staff. The Audit Committee's oversight responsibilities include reviewing the audited financial statements and other financial information, the audit process and compliance of financial internal controls.

The City's external auditors, KPMG LLP, conduct an independent examination, in accordance with generally accepted auditing standards, and express their opinion on the financial statements. Their examination does not relate to the other schedules and statements required by the Financial Information Act. Their examination includes a review and evaluation of the City's system of internal controls and appropriate tests and procedures to provide reasonable assurance that the financial statements are presented fairly.

On behalf of the City of Burnaby,

Noreen Kassam, CPA, CGA
Director Finance
June 14, 2021

AUDIT COMMITTEE

The Audit Committee was appointed to assist the City Council in fulfilling its oversight responsibilities and as representatives of Burnaby residents, to enhance accountability of the City staff. One of the key roles of the Committee is to review the audited financial statements and present them to City Council.

INDEPENDENT AUDITORS' REPORT

To the Mayor and Council of the City of Burnaby

Opinion

We have audited the consolidated financial statements of the City of Burnaby (the "City"), which comprise:

- the consolidated statement of financial position as at December 31, 2020;
- the consolidated statement of operations and accumulated surplus for the year then ended;
- the consolidated statement of changes in net financial assets for the year then ended;
- the consolidated statement of cash flows for the year then ended;
- and notes and schedule to the consolidated financial statements, including a summary of significant accounting policies

(hereinafter referred to as the "financial statements").

In our opinion, the accompanying financial statements present fairly, in all material respects, the consolidated financial position of the City as at December 31, 2020, and its consolidated results of operations, its consolidated changes in net financial assets and its consolidated cash flows for the year then ended in accordance with Canadian public sector accounting standards.

Basis for Opinion

We conducted our audit in accordance with Canadian generally accepted auditing standards. Our responsibilities under those standards are further described in the "**Auditors' Responsibilities for the Audit of the Financial Statements**" section of our auditors' report.

We are independent of the City in accordance with the ethical requirements that are relevant to our audit of the financial statements in Canada and we have fulfilled our other ethical responsibilities in accordance with these requirements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Other Information

Management is responsible for the other information. Other information comprises the information, other than the financial statements and the auditors' report thereon, included in the 2020 Annual Municipal Report.

Our opinion on the financial statements does not cover the other information and we do not and will not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information identified above and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit and remain alert for indications that the other information appears to be materially misstated.

We obtained the information, other than the financial statements and the auditors' report thereon, included in the 2020 Annual Municipal Report as at the date of this auditors' report.

If, based on the work we have performed on this other information, we conclude that there is a material misstatement of this other information, we are required to report that fact in the auditors' report.

We have nothing to report in this regard.

Responsibilities of Management and Those Charged with Governance for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with Canadian public sector accounting standards, and for such internal control as management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the City's ability to continue as a going concern, disclosing as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the City or to cease operations, or has no realistic alternative but to do so.

Those charged with governance are responsible for overseeing the City's financial reporting process.

Auditors' Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion.

Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with Canadian generally accepted auditing standards will always detect a material misstatement when it exists.

Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of the financial statements.

As part of an audit in accordance with Canadian generally accepted auditing standards, we exercise professional judgment and maintain professional skepticism throughout the audit.

We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion.

The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the City's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on City's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditors' report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditors' report. However, future events or conditions may cause City to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.
- Communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

- Obtain sufficient appropriate audit evidence regarding the financial information of the entities or business activities within the group entity to express an opinion on the financial statements. We are responsible for the direction, supervision and performance of the group audit. We remain solely responsible for our audit opinion.

To be read in conjunction with the Notes to the Consolidated Financial Statements.

NOTES TO THE CONSOLIDATED FINANCIAL STATEMENTS

Burnaby was incorporated in 1892 as a district municipality and one hundred years after incorporation, became the City of Burnaby (the “City”). The City is legislated under the Local Government Act of British Columbia and its principal activities include the provision of local government services to residents of the incorporated area. These include administrative, protective, infrastructure, environmental, planning, building, recreational, waterworks, and sanitary sewer services.

On March 11, 2020, the COVID-19 outbreak was declared a pandemic by the World Health Organization. The pandemic caused significant impacts to the City’s 2020 operations. The pandemic continues to provide uncertainty over the City’s future cash flows, and may have a significant impact on the City’s future operations. Potential impacts on the City’s business could include future decreases in revenue, impairment of investments or reduction in investment income, and delays in completing capital project work. The situation is dynamic and the ultimate duration and magnitude of the impact on the economy and the financial effects of the City is not known at this time.

1. SIGNIFICANT ACCOUNTING POLICIES

The consolidated financial statements of the City have been prepared by management in accordance with Canadian generally accepted accounting principles as prescribed by the Public Sector Accounting Board (PSAB) of the Chartered Professional Accountants of Canada.

A. BASIS OF CONSOLIDATION

The consolidated financial statements are comprised of the City’s Operating, Capital and Reserve Funds as well as the Burnaby Public Library (the “Library”). The Library is consolidated as it is considered to be controlled by the City, by virtue of their Board being appointed by the City. Interfund balances and transactions have been eliminated on consolidation.

I. OPERATING FUNDS

These funds include the General, Waterworks Utility and Sanitary Sewer Operating Funds as well as the Burnaby Public Library. They are used to record the operating costs of services provided by the City.

II. CAPITAL FUNDS

These funds include the General, Waterworks Utility and Sanitary Sewer Capital Funds and Burnaby Public Library Capital. They are used to record the acquisition costs of tangible capital assets. All the Capital Funds are combined on the financial statements.

III. RESERVE FUNDS

Under the Community Charter of British Columbia, City Council may, by bylaw, establish reserve funds for specified purposes. Money in a reserve fund and interest earned thereon must be expended only for the purpose for which the fund was established. If the amount in a reserve fund is greater than required for the purposes for which it was established, City Council may transfer all or part of the amount to another reserve fund, provided that the nature of the reserve is used for the same purpose.

B. BUDGET

Budget information reported in the consolidated financial statements represents the 2020 Consolidated Revenues & Expenditures component of the City of Burnaby 2020 – 2024 Financial Plan received by City Council on May 11, 2020 and adopted through Bylaw No. 14155 on May 11, 2020.

C. REVENUE RECOGNITION

Revenues are recognized in the period in which the transactions or events occurred that gave rise to the revenues. All revenues are recorded on an accrual basis, except when the accruals cannot be determined with a reasonable degree of certainty or when their estimation is impractical.

Revenue recognition on sale of properties occurs when the City has transferred the significant risks and rewards of ownership. Property lease revenue includes all amounts earned from tenants including property tax and operating cost recoveries. Lease revenues are recognized on a straightline basis over the term of the lease.

Restricted transfers from governments are deferred and recognized as revenue in the year in which the related expenditures are incurred. Unrestricted transfers are recognized as revenue when received.

D. COLLECTION ON BEHALF OF OTHER AUTHORITIES

The City is required to collect and remit taxes on behalf of other tax authorities. Collections for other authorities are excluded from City revenues.

E. PROPERTY TAXES

British Columbia Assessment Authority (BCA) produces independent property assessments based on market value for all property owners in the Province as of July 01 each year. The City of Burnaby establishes property tax rates based on the assessed values provided by BCA to collect revenue needed to fund City services and programs. Taxation revenue is recorded at the time property tax bills are issued. The City is entitled to collect interest and penalties on overdue taxes.

For 2020, the value for taxable land and buildings, (excluding valuations for exempt properties) across all property classes was \$108.2 billion (2019 – \$114.0 billion).

F. COMMUNITY BENEFIT FUND REVENUE

Community Benefit Bonus revenue is a cash contribution received by the City through the land development process and recognized as revenue in the year received. These reserves are allocated by Council policy and held in capital reserves.

Council's Community Benefit Bonus Policy provides a framework through which developments, provide benefits for future amenities. The program is based on a voluntary density bonus approach provided for through provincial legislation, the Burnaby Zoning Bylaw, and Council's direction.

Council policy directs 80% of undesignated cash contributions towards community amenities, and 20% to the City-wide Affordable Housing Reserve for affordable and/or special needs housing. Interest income earned on the Community Benefit Bonus Reserves is retained within the reserves.

As these funds are restricted for capital purposes, they are not available to be used to meet current operating expenditures or obligations. See Note 8 Reserves - Non-Statutory Capital Reserves for the balance of the Community Benefit Bonus Reserves held for future City amenities.

G. CONTRIBUTED ASSET REVENUE

Tangible capital assets from developers are a condition of the development approval process. Public Sector Accounting Board rules require municipalities to recognize as revenue the fair market value of the tangible capital assets when they are made available for use and received by the City.

The delivery of the contributed tangible capital assets is dependent upon the developer. The revenue is recognized on the Consolidated Statement of Operations and Accumulated Surplus with an increase in tangible capital assets on the Consolidated Statement of Financial Position of the same amount. Contributed asset revenue represents the fair market value of assets received. It is not a source of funding available to meet current operating expenditures or obligations.

H. DEFERRED REVENUES

Deferred revenues represent the receipt of funds for which the provision of services occurs in the future, including development cost levies which have been collected in accordance to Council-approved bylaws to finance growth-related projects, other government transfers and amounts received from third parties pursuant to legislation, regulation or agreement. These revenues may only be used in the conduct of certain services, in the completion of specific work, or for the purchase of tangible capital assets. These amounts will be recognized as revenues in the year in which the expenditures are incurred.

I. EXPENSES

Expenses are recognized as they are incurred and measurable as a result of receipt of goods or services and/or the creation of a legal obligation to pay. Interest expense is accrued as the obligation is incurred.

J. CASH AND CASH EQUIVALENTS

Cash and cash equivalents includes cash and short-term investments with maturities of three months or less at the date of acquisition, are readily convertible to known amounts of cash and are subject to an insignificant risk of change in value.

K. INVESTMENTS

Investments are recorded at cost, adjusted for amortization of premiums or discounts over the term of the investments on a straight-line basis. Provisions for losses are recorded when they are considered to be other than temporary. Short-term investments are those that mature between three months and one year. Long-term investments are those that mature in more than one year.

L. EMPLOYEE FUTURE BENEFITS

The City and its employees make contributions to the Municipal Pension Plan (the "Plan"). The Plan is a multi-employer contributory defined benefit pension plan. These contributions are expensed as incurred.

Sick leave and post-employment benefits accrue to the City's employees. The liability relating to these benefits is actuarially determined based on length of service, best estimates of retirement ages and expected future salary and wage increases. The liabilities under these benefit plans are accrued based on projected benefits pro-rated as employees render services necessary to earn the future benefits.

Actuarial gains or losses are amortized over the expected average remaining service life of the related employee group.

The liability for event-driven benefits, such as disability benefits, is calculated after the event occurs. The expense is recognized in the year the event occurs.

M. GOVERNMENT TRANSFERS

Restricted transfers from governments are deferred and recognized as revenue as the related expenditures are incurred or the stipulations in the related agreements are met. Unrestricted transfers are recognized as revenue when received or if the amount to be received can be reasonably estimated and collection is reasonably assured.

N. NON-FINANCIAL ASSETS

Non-financial assets are not available to discharge existing liabilities and are held for use in the provision of services. They have useful lives extending beyond the current year and are not intended for sale in the ordinary course of operations.

I. TANGIBLE CAPITAL ASSETS

Tangible capital assets are recorded at cost, which include all amounts that are directly attributable to the acquisition, construction, development, or betterment of the asset. Assets under construction are not depreciated until the asset is available for productive use. The City does not capitalize interest associated with the acquisition or construction of a tangible capital asset. Contributions of tangible capital assets are reported at fair market value at the time of receipt and are also recorded as revenue. The cost, less residual value, of tangible capital assets, excluding land, are amortized on a straight-line basis over their estimated useful lives, commencing the month and year the asset is put into service. Estimated useful lives are as follows:

Asset	Useful Life (Years)
Land (Under Roads/Civic Use)	Is not amortized
Land Improvements	10 to 75
Buildings	10 to 50
Infrastructure Water	15 to 60
Infrastructure Sewer	15 to 70
Infrastructure Drainage	15 to 100
Infrastructure Roads	10 to 80
Vehicles & Mobile Equipment	5 to 40
Technology and Telephony	3 to 20
Furniture, Fixtures, and General	2 to 25
Leasehold Improvements	Term of Lease

Land is recorded at cost. Works of art, artifacts, cultural, and historical assets are not recorded as assets in the financial statements. The City controls various works of art and historical treasures including artifacts, paintings and sculptures located at City sites and public display areas.

II. INVENTORY

Inventory held for consumption is recorded at the lower of cost and net realizable value.

O. USE OF ESTIMATES

The preparation of the consolidated financial statements requires management to make estimates and assumptions that affect the reported amount of assets and liabilities, the disclosure of contingent assets and liabilities at the date of the financial statements, and the reported amounts of revenues and expenses during the reporting period.

Significant estimates include assumptions used in estimating the amounts recorded for tangible capital assets and the established useful lives at the date of the consolidated financial statements. Actual results could differ from these estimates.

P. SEGMENT DISCLOSURE

The City provides a wide range of services to its citizens. For management reporting and budget control purposes, the government's operations and activities are organized and reported by City departments. These departments are grouped together for the segment report to give an operational view of the way the City works on a day-to-day basis. This additional reporting is intended to enable users to better understand the government reporting entity and the major activities of the City.

Q. CONTAMINATED SITES

A liability for contaminated sites is recognized when a site is not in productive use and the following criteria are met:

- i. An environmental standard exists;
- ii. Contamination exceeds the environmental standard;
- iii. The City is directly responsible or accepts responsibility;
- iv. It is expected that future economic benefits will be given up; and
- v. A reasonable estimate of the amount can be made.

The liability is recognized as management's estimate of the cost of post-remediation including operation, maintenance and monitoring that are an integral part of the remediation strategy for a contaminated site. As at December 31, 2020, no liability for contaminated sites was recognized.

2. INVESTMENTS

	2020		2019	
	Cost (\$)	Market Value (\$)	Cost (\$)	Market Value (\$)
Short term investments	689,720,947	695,613,136	776,053,622	791,310,508
Long-term investments	891,013,324	1,153,541,335	920,274,791	1,127,055,270
Total	1,580,734,271	1,849,154,471	1,696,328,413	1,918,365,778

3. OTHER ACCOUNTS RECEIVABLES

	2020 (\$)	2019 (\$)
Community Benefit Receivables	17,619,102	425
Federal and Provincial Governments	2,400,249	5,235,624

Total	94,389,071	37,432,750	(55,664,552)	76,157,269

6. DEVELOPMENT COST CHARGES AND RESTRICTED FUNDS

	2020 (\$)	2019 (\$)
Balance at beginning of year	129,232,081	120,268,683
Contribution	3,429,031	4,988,725
Interest	3,804,003	4,014,673
Revenue Recognized	(9,698,429)	(40,000)
Total	126,766,686	129,232,081

7. TANGIBLE CAPITAL ASSETS

ASSETS

See Schedule 1 for details.

CONTRIBUTED ASSETS

Infrastructure contributed to the City totaled \$8,487,929 in 2020 (2019 – \$5,371,711) and was capitalized at fair value at the time of receipt; and Land contributed to the City totaled \$958,326 in 2020 (2019 – \$11,220,050).

ASSETS UNDER CONSTRUCTION

Assets under construction having a value of approximately \$103,329,000 in 2020 (2019 – \$51,989,000) have not been amortized. Amortization of these assets will commence when the asset are put into service.

WORKS OF ART AND HISTORICAL TREASURES

The City manages and controls various works of art and non-operational historical cultural assets including buildings, artifacts, paintings, and sculptures located at City sites and public display areas. The assets are not recorded as tangible capital assets and are not amortized.

WRITE-DOWN OF TANGIBLE CAPITAL ASSETS

There was no write down of tangible capital assets during the year (2019 - \$nil).

8. ACCUMULATED SURPLUS

	2020 (\$)	2019 (\$)
Accumulated Surplus Non-Financial Assets:		
Tangible capital assets	3,008,301,119	2,911,454,589
Inventory of supplies	2,829,098	2,049,977
Prepaid expenses	2,986,589	3,329,380
Total Accumulated Surplus Non-Financial Assets	3,014,116,806	2,916,833,946
Accumulated Surplus Net Financial Assets:		
Statutory Reserve Funds		
Corporate and Tax Sale Land Reserve Fund	285,964,105	295,067,787
Capital Asset Works Financing Reserve Fund	172,608,307	192,232,559
Equipment Replacement Reserve Fund	68,424,694	63,346,243
Housing Capital Reserve Fund	31,490,930	-
Other Statutory Capital Reserve Fund	17,719,309	17,203,111
Local Improvement Reserve Fund	16,566,965	15,548,730

Other Capital Reserves	20,190,700	19,767,920
Non-Statutory Capital Reserves Total	900,062,556	911,023,555
Non-Statutory Operating Reserves		
Other Operating Reserves	29,331,401	26,442,939
Operating Housing Reserve	16,172,882	-
Stabilization Reserve	9,412,316	11,503,100
Snow Removal Reserve	7,455,726	9,363,761
Non-Statutory Operating Reserves Total	62,372,325	47,309,800
Unappropriated Operating Surplus		
Sanitary Sewer Reserve	34,993,087	24,026,761
Waterworks Utility Reserve	31,981,613	22,322,550
General Revenue Reserve	20,438,963	13,029,485
Unappropriated Operating Surplus Total	87,413,663	59,378,796
Total Accumulated Surplus Net Financial Assets	1,652,459,461	1,610,701,108
Total Accumulated Surplus	4,666,576,267	4,527,535,054

9. TRANSFERS FROM OTHER GOVERNMENTS

	2020 (\$)	2019 (\$)
Transfers from federal government	1,189,889	3,560,695
Transfers from provincial government	16,827,341	17,104,133
Transfers from regional and local governments	10,034,071	10,100,836
	28,051,301	30,765,664

10. TAXATION REVENUE

In addition to levying and collecting property taxes for municipal purposes, the City also collects taxes from its citizens on behalf of other governments. The following table illustrates the amounts collected and the amounts transferred to other governments. These amounts collected on behalf of other governments are not reflected on the City's Financial Statements.

	2020 (\$)	2019 (\$)
Tax Collected:		
General Purposes	286,012,006	283,489,422
Collections for Other Governments	188,059,832	248,299,910
Sanitary Sewer Parcel Tax	18,628,137	18,394,941
	492,699,975	550,184,273
Less Transfers to Other Governments:		
Province of BC - School Taxes	131,388,293	193,742,446
Greater Vancouver Regional District	6,183,625	7,254,991
Greater Vancouver Transportation Authority	41,517,944	42,480,277
BC Assessment Authority	6,432,766	6,363,164
Municipal Finance Authority	29,356	30,697
Hastings Street Business Improvement Area	270,504	275,914
North Road Business Improvement Area	191,530	198,235
	188,059,832	248,299,910
Taxation Revenue	304,640,143	301,884,363

11. CONTINGENCIES AND COMMITMENTS

A. At December 31, 2020 the balance of the outstanding contracts for capital and other expenditures is estimated at \$163.9 million (2019 - \$96.2 million). These amounts are not accrued in the financial statements:

	Millions
2021	107.9
2022	35.8
2023	18.2
2024	1.5
2025	0.5
	163.9

B. In the ordinary course of business, claims are asserted or made against the City, and the City is currently involved in various legal actions. The outcome of these actions cannot be determined at this time. A provision has been made in the accounts for any possible unfavourable outcome of these actions. The amount of any loss in excess of the provision and insurance coverage will be recorded when determinable.

C. Development cost charges are monies collected from developers for designated purposes, such as future parkland acquisitions. These are comprised of cash and investments of \$126,142,183 (2019 – \$128,489,190) and restricted accounts receivable of \$624,503 (2019 – \$742,891).

D. The City holds irrevocable letters of credit in the aggregate amount of \$186.3 million (2019 – \$185.8 million) received from depositors to ensure their performance of works to be undertaken within the City. These amounts are not reflected in the consolidated financial statements.

E. The City as a member of Metro Vancouver is directly, jointly and severally liable with the other member municipalities for the net capital liabilities of those authorities.

F. The City is a shareholder and member of E-Comm Emergency Communications for British Columbia Incorporated (E-Comm), whose services include: regional 911 call centre, Area Wide Radio emergency communications network, dispatch operations, and records management. The City holds 1 Class A share. As a Class A shareholder, the City is committed to paying levies for services received under a cost-sharing formula to fund operating and capital costs of the E-Comm operations. In addition, the City is contingently liable to cover its proportionate share of such costs should any member be unable to fulfill its funding obligations. Annual levy amounts fluctuate based on various factors under the cost sharing formula, and amounted to \$3.3 million during the year (2019 - \$3.1 million).

12. MUNICIPAL PENSION PLAN

The City and its employees contribute to the Municipal Pension Plan (a jointly trustee pension plan). The board of trustees, representing plan members and employers, is responsible for administering the plan, including investment of assets and administration of benefits. The plan is a multi-employer defined benefit pension plan. Basic pension benefits are based on a formula. As at December 31, 2019, the plan has about 213,000 active members and approximately 106,000 retired members. Active members include approximately 2,503 contributors from the City (2019 - 2,462 contributors).

Every three years, an actuarial valuation is performed to assess the financial position of the plan and adequacy of plan funding. The actuary determines an appropriate combined employer and member contribution rate to fund the plan. The actuary's calculated contribution rate is based on the entry-age normal cost method, which produces the long-term rate of member and employer contributions sufficient to provide benefits for average future entrants to the plan. This rate may be adjusted for the amortization of any actuarial funding surplus and will be adjusted for the amortization of any unfunded actuarial liability.

The most recent actuarial valuation for the Municipal Pension Plan as at December 31, 2018, indicated a \$2,866 million funding surplus for basic pension benefits on a going concern basis.

The City paid \$17,232,906 (2019 - \$16,541,212) for employer contributions while employees contributed \$14,368,680 (2019 - \$13,833,121) to the plan in fiscal 2020.

The next valuation will be as at December 31, 2021, with results available in 2022.

Employers participating in the plan record their pension expense as the amount of employer contributions made during the fiscal year (defined contribution pension plan accounting). This is because the plan records accrued liabilities and accrued assets for the plan in aggregate, resulting in no consistent and reliable basis for allocating the obligation, assets and cost to individual employers participating in the plan.

13. EMPLOYEE FUTURE BENEFIT

The City provides certain post-employment benefits to its employees. These benefits include accumulated vacation deferral, supplementary vacation and retirement gratuity benefits. The liability associated with these benefits is calculated based on the present value of expected future payments pro-rated for services, and is included in accrued liabilities.

	2020	2019
	(\$)	(\$)
Accrued Benefit Obligation - Beginning of Year	11,061,000	10,226,000
Current Service Cost	817,000	733,000
Interest Cost	286,000	341,000
Actual Benefits Paid	(1,149,000)	(1,154,000)
Actuarial Loss	3,715,000	915,000
Accrued Benefit Obligation, End of Year	14,730,000	11,061,000

An actuarial estimate for these benefits was performed to estimate the City's accrued benefit obligation as at December 31, 2020. The difference between the actuarially determined accrued benefit liability estimate of \$10,892,000 and the accrued benefit obligation of \$14,730,000 as at December 31, 2020, is an unamortized net actuarial loss of \$3,838,000. The actuarial loss is being amortized over a period equal to the employees' average remaining service lifetime of 11 (2019-11) years.

	2020	2019
	(\$)	(\$)
Accrued Benefit Obligation - End of Year	14,730,000	11,061,000
Unamortized Net Actuarial (Loss)	(3,838,000)	(83,000)
Accrued Benefit Liability, End of Year	10,892,000	10,978,000

Actuarial assumptions used to estimate the City's accrued benefit obligation are as follows:

	2020	2019
Discount rate (%)	1.75%	2.50%
Expected wage and salary inflation (%)	1.80%	1.80%
Estimated average remaining service life of employees (years)	11.00	11.00

14. SEGMENTED INFORMATION (\$ THOUSANDS)

The City's segments are defined as follows:

A. GENERAL GOVERNMENT & ADMINISTRATIVE SERVICES

This represents activities that provide for the overall administrative and strategic support of local government operations and capital acquisitions relating to general government functions. This includes general administration of the City Manager's Office and Finance operations (Business Advisory Services, Budgets & Reporting, Financial Services, Purchasing, Revenue Services, and Treasury Services), Information Technology, Human Resource management, Corporate Services and management of City rental properties and the legislative operations of the Council, Clerk's and Legal Departments.

B. PROTECTIVE SERVICES

Protective Services is comprised of the City's Police and Fire Services. The mandate of the Police Department is to provide for the safety of the lives and property of Burnaby citizens, preserving the peace through law enforcement and working with citizens to prevent crime and maintain order. Support is provided through integrated regional units for homicide and forensic identification. Fire Services provide fire suppression services, fire prevention programs, training and education related to prevention, detection or extinguishment of fires, pre-hospital emergency paramedical care, and the handling of hazardous materials incidents. Both Police and Fire Services supply emergency coordination and response operations and support the mitigation of calamitous incidents including the evacuation of people when necessary.

ENGINEERING SERVICES

The City's Engineering Department is a diverse and complex organization that provides many services to the citizens of Burnaby. These include:

C. PUBLIC WORKS & OTHERS

Maintenance and management of the transportation infrastructure and related services which encompass administration, the maintenance of roads, sidewalks, street drainage, street lighting and signage, snow removal, and municipal parking facilities. Other services include the Environmental Services program that protects and educates Burnaby citizens about their environment. This program monitors community drinking water quality and surface water for bacteriological and chemical quality; provides response and expertise when chemical related spills occur; performs inspection and audits to support permit applications when fill or sediment control measures are required. Maintenance services for civic buildings and vehicles & equipment are provided to all City departments.

D. SOLID WASTE

The waste collection program is comprised of garbage collection, recycling, composting, street sweeping, and litter pickup.

E. WATERWORKS

The City receives treated water from three of Metro Vancouver's reservoirs: Capilano, Seymour, and Coquitlam and distributes it through a network of pipes to its consumers. The provision of potable water and the maintenance and repair of infrastructure related to its delivery and disposal are provided by the City's Engineering Department. Crews respond to emergency calls for broken water mains or leaky services and undertake regular maintenance of the valves, hydrants, pump stations, and reservoirs that make up our water system components. The Department is also responsible for the capital replacement of aging water infrastructure.

F. SANITARY SEWER

The Engineering Department is responsible for operating and maintaining the City's sanitary and combined sewer mains and 20 pump stations. Typical maintenance activities involve cleaning sewers by using sewer flush trucks, inspecting and repairing manholes, and excavating and repairing broken sewer mains and services. The department manages the capital improvement program for the design and construction of the sewer system. This program has made significant improvements toward the elimination of combined sewers that are located within some of the older neighbourhoods of Burnaby.

G. PLANNING & BUILDING SERVICES

The Planning Department develops the Official Community Plan for Burnaby which provides the future vision and lays the foundation for land use in the City including housing, the environment, transportation, economic development, and social policy. Current projects are considered in light of this long-term direction as the department manages development plan areas, rezonings, subdivisions, preliminary plan approvals, urban design, urban trails, and bicycle routes. The City's Building Department supports the development process by ensuring compliance with the established BC Building Code and enforcement of the City's construction related bylaws. In addition, the Building Department provides Project Management services for civic development projects.

H. PARKS, RECREATION AND CULTURAL SERVICES

This segment includes programs that provide citizens an opportunity to participate in cultural, athletic, and other events. Programs also include the operations, maintenance and provision of parks and recreation, and museum facilities that enable the delivery of services. Working with schools, community and business to form partnerships for neighborhood development supportive of a healthy and active environment, programs contribute to the well-being of Burnaby's citizens. The Parks, Recreation and Cultural Services Department manages 5,400 acres of protected beauty. Some parks have manicured lawns and formal gardens, others have lakes, and many are forested, with deep ravines with streams. Community recreation facilities, arenas and outdoor playgrounds, tennis courts, swimming pools, golf courses, and other venues provide the citizens of Burnaby with many choices to enjoy their leisure time. Cultural centres deliver arts programs, festivals and entertainment for all ages.

I. LIBRARY SERVICES

This segment includes programs that provide citizens an opportunity to participate in library and other events. Programs also include the operations, maintenance and provision of library facilities that enable the delivery of services. Working with schools, community and business to form partnerships for neighborhood development supportive of a literate environment, programs contribute to the well-being of Burnaby's citizens. The Burnaby Public Library provides books, newspapers, CDs, DVDs, graphic novels, online databases, and downloadable books offering programs for children and adults alike that encourage learning and information sharing in a community setting.

J. OTHER FUNDS

This segment represents the City's reserve funds and reserves.

15. BUDGET DATA

The Community Charter requires Council to adopt an annual financial plan bylaw by May 15 of each fiscal year prior to the adoption of the annual property tax bylaw. The City of Burnaby prepares the annual financial plan on a revenue and expenditure basis to meet this requirement of a balanced budget and on a consolidated basis to report the City's financial activities in accordance with Public Sector Accounting Board requirements.

The chart below reconciles the annual financial plan approved by Council and adopted on May 11, 2020 (Bylaw #14155) to the budget figures reported in these consolidated financial statements:

Operating budget:	Budget Amount (\$)*
Revenues	664,184,700
Expenses	518,859,500
Annual surplus per statement of operations	145,325,200
Less: capital expenditures	(253,533,500)
Add: proposed internal transfers	108,208,300
Balanced Budget	-

*Budget figures rounded to nearest hundreds

16. CONTRACTUAL RIGHTS

The City of Burnaby has entered into contracts or agreements in the normal course of operations that it expects will result in the realization of assets and revenues in future fiscal years. The primary source of contracts and agreements are received from cost sharing agreements, rental and leases, advertising and other agreements.

The following table summarizes the expected revenue from the City's contractual rights:

Category (Millions)	2021	2022	2023	2024	2025	Thereafter	Total
Rental / Land Lease Revenue	4.1	3.6	3.3	3.0	2.0	10.2	26.2
Advertising Revenue	0.7	0.7	0.7	0.8	0.7	1.8	5.4
Other Revenue	4.3	3.8	0.3	0.2	0.0	0.0	8.6
	9.1	8.1	4.3	4.0	2.7	12.0	40.2

The City is also entitled to receive revenue from other agreements. The revenue from those agreements has not been included in the amounts noted above as the amounts are difficult to quantify due to the complexity of the agreements. The amounts do not materially impact the City's financial position.

17. COMPARATIVE FIGURES

Certain comparative information has been reclassified to conform to the financial statement presentation adopted for the current year.

SCHEDULE 1

Consolidated Schedule of Tangible Capital Assets

As at December 31, 2020 (\$ thousands)

SCHEDULE 2

BC Safe Restart Grant Received - (Unaudited)

Due to the COVID-19 pandemic in 2020, the City received the BC Safe Restart Grant of \$9.8 million from the Province to help the City for COVID-19 financial impacts to the City's operations. The schedule below details how the City utilized the grant funds in 2020. The remainder of the funds have been provisioned in the City's 2021 Financial Plan to be utilized in 2021 to offset ongoing COVID-19 impacts to the City's operations.

BC Safe Restart Grant Received November 2020	9,827,000
Eligible Costs Incurred:	
Revenue Shortfalls (Recreation Services)	(4,913,500)
Year End Balance as at December 31, 2020	4,913,500

SCHEDULE OF DEBTS

For the year ended December 31, 2020

A Schedule of Debts has not been prepared because the City of Burnaby does not have any outstanding debt as of December 31, 2020.

Prepared under the Financial Information Regulation, Schedule 1, section 4.

SCHEDULE OF GUARANTEE AND INDEMNITY AGREEMENTS

For the year ended December 31, 2020

A Schedule of Guarantees and Indemnity payments has not been prepared because the City of Burnaby has not given any guarantees or indemnities under the Guarantees and Indemnities Regulation.

Prepared under the Financial Information Regulation, Schedule 1, section 5.

SCHEDULE OF REMUNERATION AND EXPENSES

For the year ended December 31, 2020

Regulations require the City of Burnaby to report the total amount of remuneration for each employee that exceeds \$75,000 and the total amount of expenses paid to or on behalf of that employee in that year. It also requires that the total amount of remuneration and the total amount of expenses paid to or on behalf of each elected official to be reported.

Prepared under the Financial Information Regulation, Schedule 1, subsection 6(2).

(Schedule begins on the following page)

SCHEDULE OF REMUNERATION AND EXPENSES MAYOR AND COUNCIL

For the year ended December 31, 2020

Name	Remuneration ¹ (\$)	Allowances and Benefits ² (\$)	Expenses ³ (\$)
Hurley, Mike	171,591	32,906	2,963
Calendino, Pietro	77,859	12,645	2,218
